

Hop the Sounds

Skill: Segment Phonemes

Materials needed:

- Masking Tape
- Picture Cards with 2-, 3-, 4-, or 5-phoneme words.

1. Using masking tape, make a grid of five squares on the floor. Refer to picture below.
2. Place a deck of pictures cards face down.
3. Students draw a card from the top and segment the sounds in the word using the Finger Stretch Strategy.
4. Students then hop on one square for each sound in the word.
